He maintained close links with the Academy at Athens and with Delphi, where he held a priesthood for life. Plutarch was the son of Aristobulus, himself a biographer and philosopher. Internal evidence suggests that the Lives were composed in Plutarch's later years, but the order of composition can be only partially determined; the present order is a later rearrangement based largely on the chronology of the Greek subjects, who are placed first in each pair. The size of Plutarch's family is uncertain. Plutarch was the son of Aristobulus, himself a biographer and philosopher. Plutarch's literary output was immense. 2011. In the Consolatio to his wife on the death of their infant daughter, he mentions four sons; of those, at least two survived childhood. Among his approximately 227 works, the most important are the *Bioi parallēloi* (Parallel Lives), in which he recounts the noble deeds and characters of Greek and Roman soldiers, legislators, orators, and statesmen, and the *Moralia*, or *Ethica*, a series of more than 60 essays on ethical, religious, physical, political, and literary topics. The general scheme was to give the birth, youth and character, achievements, and circumstances of death, interspersed with frequent ethical reflections, but the details varied with both the subject and the available sources, which include anecdote mongers and writers of memoirs as well as historians. Most translations have rendered Plutarch's original language, which is so energetic in the Greek, quite dryly in English, thus relegating these classic tales to the dusty bookshelves of specialists. His virulent and unfair attack on Herodotus, the Greek historian of the 5th century bce, probably sprang from his feeling that Herodotus had done Athens more and Boeotia less than justice.
